## ARE YOU EXPECTING?

Many of us live some pretty predictable lives. We arise every morning at about the same time, go to work or school, or we start our daily personal or family routine. Day in and day out we go about our life with a fair amount of regimen. For lots of people there's not a whole lot of variation to their life...and lots of people like it that way! We are comfortable with what we know and are used to. Change - positive or negative, or even neutral - is often avoided at all costs. We pretty much expect the same routine of life on a regular basis because that's all we know and allow.

BUT, what would happen if you refocused your expectations? What if you changed one thing about your routine every day? It has been said, "Variety is the spice of life!" but too often we never want or expect variety, or even go after it.

The same holds true for our Sunday gatherings. Too often, people come to God's house not expecting anything. They come, put their time in, they sing, they listen, but they really don't expect God to do anything in their life - PERSONALLY! I dare you to come to Victory on Sunday mornings, prayed up, fired up, and EXPECTING God's power, grace and love to change you - to change us - through the Power of His Spirit and Word! You, and your humdrum life will never be the same!!!

### *DOG DAZE*

*Enjoying a lovely ride in the country recently, Dave & I came upon a wonderful celebration going in the small village of Opequon. There were tours of historical homes, cakewalks, and plenty of homemade good and items for sale.*

*At one point, I was amazed at a demonstration by the K-9 Police Force starring a beautiful German Shepherd dog. The trainer and the dog were so in-tune with one another that a mere click, word, or subtle gesture would send the dog into an immediate response (usually an "attack" mode). An additional command would call the dog off. Each time the master commanded, the dog responded without delay. The dog's eyes seemed to never leave his master's face. Ready and willing to do whatever his master asked, this animal appeared to receive great joy by his opportunity to do whatever was asked of him.*

*I couldn't help but wonder what our lives would be like if we just followed this dog's example of obedience. By keeping our eyes and heart set on our Heavenly Master, we would be less likely to miss all that He has for us. Allow God to be your Teacher, Trainer, and ultimately, your Rewarder.*

*He is the Rewarder of those who diligently seek Him!!*

*With love in Him always,  
Kathy*

**WANTED** volunteers to cook meals, send cards, hospital visitations, etc.

When there is someone in need email [victorycares@gmail.com](mailto:victorycares@gmail.com) so a team member can help. Being a follower of Christ doesn't just mean having your own spiritual burden lifted from your shoulders by Christ.
