ANTICIPATION

Autumn is just around the corner, and with it brings the spring-like newness of a fresh season that God has blessed us with. It is a season of renewed ministry, school's back in full swing, fall winds, and the anticipation of God continually doing new things in our lives. Our God is a creative God and He has done, is doing, and will continue to work in and through us! In Isaiah 43:16-21 (The Message) we read this:

This is what God says, the God who builds a road right through the ocean, who carves a path through pounding waves, The God who summons horses and chariots and armies—they lie down and then can't get up; they're snuffed out like so many candles: "Forget about what's happened; don't keep going over old history. Be alert, be present. I'm about to do something brand-new. It's bursting out! Don't you see it? There it is! I'm making a road through the desert, rivers in the badlands. Wild animals will say "Thank you!"—the coyotes and the buzzards—Because I provided water in the desert, rivers through the sun-baked earth, Drinking water for the people I chose, the people I made especially for myself, a people custom-made to praise me.

You and I are custom-made to praise the Lord. He is doing a new thing in us as individuals, and in Victory Church. I continue to live with a spirit of anticipation as the Wind of the Spirit of God blows in and through us.

*Remember—Live —and walk—worthy!! [Ephesians 4:1-6]

Grateful

Dear God,

How grateful I am to You for your constant concern for me. Your Word tells me I have special benefits that come with being your child.

I am grateful, God, for a husband who, when I'm sick tenderly takes care Of me. I am grateful for children who run to help me when I need it. I am grateful, God, for wonderful friends who have shown such love with cards and gifts of food. I am grateful for people who pray so diligently.

And...I'm grateful, God, that You always listen! Thanks to you all for your kindness to me this summer!

With love in Him always,

Kathy

Young Adult Ministry

Jamie & Sarah Zirkle

We are excited to unveil the new name of our young adult ministry; Kairos Young Adults. The word, Kairos, means "seasons" in Greek. Everyone will go through various seasons in our lifetime but none more than young adults between the ages of 18-35. They will graduate high school, find a job, go off to college, date, marry, and have kids. During those seasons they will encounter tough job markets, wonder how to pay for school, experience times of loneliness, and perhaps have to deal with some of life's curve balls.

Our goal at Kairos is to allow God to help us find purpose along this journey and through each season that comes our way. We're about ready to head into my favorite time of the year, Fall, but we are also leaving a season that is a favorite to many people. Life is that way sometimes. It was that way for the Israelites. Beginning in Exodus 15 we see the Israelites singing praise to God for His deliverance from bondage at the hands of the Egyptians and for safe passage through the Red Sea. But, in just a few short days, their season changed from praise to pouting. All of a sudden they didn't have enough to drink, so God provided. They didn't have enough to eat, so God provided. They say that the desert is a tough place to grow anything and a hard season of life to live through. It is. Recently, I heard a pastor say that the desert is a fertile place, not a dead place. It's fertile for complaining, for discipline, and for faith to grow. What season are you in? Can you still see His provision?

Please join us on Facebook by going to; Kairos Young Adults. A logo is currently in the works and you can find out everything that we are doing through Facebook and through the church bulletin.

Our new Fall small group called, *In Transit*, will begin on Thursday, September 16 at 7pm in the youth room. Please go to the link below and purchase your book. Looking forward to a great Fall!!

Tis the season,

Jamie Zirkle
